General OEHLEN's VISIT to the SIXTH FLEET (U.S.)

1. Attached is one copy of a TOP SECRET report prepared by the Munich Office of the Commander, U.S. Naval Forces, Germany, on the recent visit of General OEHLEN to the SIXTH Fleet in the Mediterranean.

2. It is my impression that this visit represents an important contribution to our over-all American effort to indoctrinate General OEHLEN and his staff.

3. Admiral OFSTIE, Commander of the SIXTH U.S. Fleet, visited General OEHLEN at his home near Munich on 7 October 1955.

4. One copy of this report has been retained at POB and will be made available to [redacted] on his next visit to Pullach.
